GIVE CANNING EXHIBITION.
Brighton City, July 15.—Professor J. C. Hogenesen of the Agricultural college and W. J. Glenn, supervisor of the boys' and girls' clubs of the Box elder schools, gave a canning demonstration in Willard yesterday which proved very successful. A large attendance of pupils was present and learned the new methods introduced by Professor Hogenesen. One hundred quarts of fruit and vegetables were put up by the cold-pack method, and the professor explained the work thoroughly. Tomorrow a demonstration will be given in the high school in this city.

AMERICAN LEAGUE.
New York, July 15.—New York won the series from Chicago 3 to 2, by breaking even in today's double-header. Chicago won the first game 3 to 2 and New York evened up by taking the second game 2 to 1. The second game was called in the eighth inning on account of darkness, though Manager Callahan of Chicago made a violent objection.

Chicago won the first game largely on home run drives by Fournier and Demmitt. In the second game New York knocked Benz out of the box in the third inning when they scored two runs on a pass to Hartzell and successive singles by Peckinpah, Cree and Mullen. Coe pitched a strong game for New York and defeated Chicago for the second time in the series.

Washington, July 15.—Detroit and Washington played a 3 to 3 tie here today, the game being called at the end of the eighth inning to allow the visitors to catch a train. Detroit scored a run in the first inning on Purcell's double and McBride's error. Bush tripled and Purcell's sacrifice fly gave another run in the third and the last came in the fourth on three successive singles off Boehling.

Engel relieved Boehling at that point and ended the scoring. Washington scored twice in the third on triples of Boehling and Moeller and a sacrifice fly. Morgan's run in the seventh off Daus tied the score.

Philadelphia, July 15.—While thunder endeavored to drown out the music of two bands, the world's championship flag, which the Philadelphia Americans won last fall, was raised at Shibe park this afternoon. Through miniature lakes and ankle-deep mud the visiting St. Louis Americans and the champion Athletics paraded the field and during a momentary lull in the almost continuous thunder-showers which fell all day the pennant was hoisted to the top of the pole.

Both games of the doubleheader scheduled for today were postponed.

Boston, July 15.—Boston shut out Cleveland 4 to 0 today, making it four straight for the series. Leonard pitched great ball, holding the visitors hitless and striking out five men during the first four innings. Cleveland bunched two hits in the seventh with one out, but Chapman's fly was taken on the run by Reisk and Liebold struck out. Eight of the local players were sent from the dugout to the dressing room by Connolly for uncomplimentary remarks about the visitors.

NATIONAL LEAGUE.
Chicago, July 15.—Frank Schulte's long double against the fence in right center today was the climax of an exciting ninth inning rally which resulted in a 5 to 4 victory for Chicago over New York. By winning, the locals obtained an even break on the

series and prevented the Giants from increasing the lead of three and a half games which separated the teams prior to the series.

Smith outpitched Tesreau. Poor support helped the visitors in the third inning when they scored three runs. In this round, Smith walked one man and allowed three hits. Then Sweeney made an error and a double steal followed. Thereafter the league leaders were never dangerous until the ninth, when two singles and a stolen base retted a run.

St. Louis, July 15.—With the bases full in the eighth inning, Salles singled, scoring Wilson and Snyder with the runs that won for St. Louis in the last game of the series with Boston; score, 5 to 3. Today's victory gave St. Louis an even break in the four-game series.

Cincinnati, July 15.—Cincinnati rallied in the eighth inning and, assisted by Mattison's wildness and an error by Byrne, scored enough runs to win from Philadelphia today 6 to 4. After one out in the eighth, Mollwitz singled and Miller and Erwin obtained bases on balls. This was enough for Mattison, and Mayer relieved him.

Hoblitzell sent up a sacrifice fly, scoring Mollwitz. Moran then singled to short, bringing home Uhler, who ran for Miller and afterwards entered the game as center fielder. Then Byrne fumbled Herzog's drive and Laross, running for Erwin, scored. Killifer and Groh were banished from the field for disputing the decisions of the umpires.

Pittsburg, July 15.—Although out-hit, Pittsburg took advantage of Brooklyn's errors today and won 4 to 3. Pittsburg obtained a two-run lead, but the visitors bunched hits in the seventh and eighth innings and tied the score. Morrey's single, a wild pitch by Allen and a single by Viox gave the Pirates the winning run in the eighth. Menor, the first Pirate to bat, hit for a home run the first made by a local player here this season.

STATE TENNIS TOURNEY.
Chicago, July 15.—The third round in the men's doubles reached the fourth frame in the state tennis tourney today. The men's singles reached the fifth round. Alex Squair defeated J. C. Neely, 5-7, 6-0, 6-4. R. H. Burdick beat H. Gifford, 6-0, 1-6, 9-7.

HUERTA LEAVES AFTER RESIGNING

Mexico City, July 15.—General Huerta and General Blanquet left the capital tonight. They boarded a train on the Mexican railway a few miles beyond the city. It is thought they are going to Puerto Mexico.

Before his departure Huerta went to the national palace to pay his respects to President Carranza. There was complete lack of disorder in the capital tonight and the theaters and cafes were crowded. The populace is now hopeful that peace is in sight. Huerta's popularity apparently increased greatly after his resignation, as Mexicans now look upon him as a good loser.

Mexico City, July 15.—General Victoriano Huerta resigned from the provisional presidency of the Mexican republic this evening and his resignation was accepted by the senate and chamber of deputies by a vote of 121 to 17.

Francisco Carbajal was then appointed president and took the oath of office at the joint session of the senate and chamber of deputies by a vote of 121 to 17. Huerta's resignation was submitted through the department of foreign affairs. It was read in the house and was greeted with cries of "Viva Huerta." It was then referred to the joint committee of governance. After consideration the committee reported, accepting the resignation in the following terms:

"Article 1.—We accept the resignation presented by General Victoriano Huerta as president of the Mexican united states.
"Article 2.—We call Licentiate Francisco Carbajal, minister of foreign relations, to assume the presidency."
A ballot was taken and the joint session approved the report.

President Carbajal proceeded to the national palace under an escort of presidential guards and all along the way was greeted with tumultuous cheering.

Text of Resignation.
The text of General Huerta's resignation follows:
"Deputies and Senators—Public necessity admitted by the chamber of deputies, by the senate and the supreme court, called me to the supreme magistracy of the republic. Later, when in this same hall I had the honor of addressing you in compliance with the constitutional precept, I promised at all costs to bring about peace.

"Seventeen months have passed and in that brief period of time I have formed an army with which to carry out that solemn promise. You all know the immense difficulties which my government has encountered, owing to a scarcity of funds as well as to the manifest and decided protection which a great power of this continent has afforded to the rebels—so much so that when the revolution had been broken up, seeing that its chief leaders were and continued to be, I decided, the power in question sought a pretext to intervene directly in the conflict, and the result of this was the outrage committed at Vera Cruz by the American fleet.

"Success was had, as you know, in adjusting honorably through our delegates at Niagara Falls the petty Tambo incident, but the revolution continued with the support of whom we all know.

"Yet, after the highly patriotic work achieved by our delegates at Niagara Falls, there are still some who say I come what may, seek my personal interest and not that of the republic. And as I need to refute this allegation with facts I tender my formal resignation of the presidency of the republic.

"The national congress must know that the republic, through its government, has labored in entire good faith

LONDON COMMENT ON RESIGNATION

Huerta's Abdication Considered Victory for President Wilson's Policy—More Trouble Ahead.

London, July 16.—General Huerta's resignation of the provisional presidency of Mexico is regarded as a victory for President Wilson's policy and is welcomed by the British public and in official circles here as a possible solution of the Mexican problem.

A peaceful end to the complex situation is greatly desired here on account of the large British financial interests in that country. The Pall Mall Gazette points out that if Francisco Carbajal, the new provisional president, surrenders to General Carranza as he is expected to do, it may soon be possible to exact reparation from General Villa for the murder at Juarez of William S. Benton, the Scottish rancher.

The Evening Standard says: "The Washington administration has won a diplomatic victory. President Wilson has been persistent and patient in his policy of non-recognition of General Huerta, but, likely enough, now he will be met with other obstacles just as hard to surmount as President Huerta's obstinacy."

The Globe takes much the same view, saying: "The elimination of General Huerta is a triumph of a sort for President Wilson, but it may be assumed that his difficulties and anxieties are by no means over. There is no reason to suppose that the real opinions of the Mexican people will have more opportunity to assert themselves under General Carranza than they had under General Huerta. The United States, however, has been warned by experience not to inquire too closely nor to expect too much."

The new executive again passed through double files of troops as he proceeded to the national palace.

A special committee composed of Jesus Urutia, Enrique, Bordes Mangel and Jose Ines Novelo, former members of the chamber of deputies, left tonight to arrange with the constitutional leaders for a peaceful entry into the capital.

It was reported that General Huerta was preparing to leave for Europe. The members of his family passed through Cordoba this afternoon on the way to Puerto Mexico.

The streets of the capital were crowded until a late hour tonight, but no disturbance has been reported. The government of the federal district issued orders to the police to check every demonstration rigorously. The streets are patrolled by mounted police who have orders to use drastic measures if necessary.

Rumors that bands of Zapata followers have reached Zochimilco, ten miles south of the capital, have proved to be unfounded.

BRIDE OF SEVEN DAYS MURDERED

The tribesmen's retreat had been oated and General Gouraud sent out the two aeroplanes, one manned by Lieutenant Feirstein and Captain Raymond and the other by Lieutenants Paretti and Morletis. Te attacking parties carried four bombs each. They speedily discovered the hiding place and dropped the bombs with such precision that the camp was destroyed, many tribesmen being killed.

The aviators then made maps showing the position of the fastness which enabled General Gouraud to round up the natives who had escaped death by the bombs.
